Forest Service Is Puzzled By State Official's Censure

Officials Deny Charges Of Neglect At Donner Ridge Fire

Officials of the Tahoe National Forest are puzzled over the recent outbreak by Assemblyman Samuel R. Geddes of Napa County, who has charged that many imported trained fire fighter spent days of luxury at Lake Tahoe motels at government expense, while the Donner Ridge fire last August ran out of bounds.

Assistant Regional Forester Grant A. Morse and Supervisor Henry Branagh of the Tahoe National Forest, were in the area last week to investigate what they termed the unfounded charges.

Branagh said he had contacted Geddes and asked him to present more definite evidence that "gross negligence" had occurred during the fire. Geddes, who is a candidate for election to the state senate, said he would contact Branagh after the election.

Geddes is the same legislator who strongly and consistently criticized the program of the Olympic winter games at Squaw Valley last February, demanding investigations and blasting the efforts of the commission and committee.

In his latest tirade, Geddes declared, according to the Capitol News Service, that "large quantities of equipment stood idle throughout the whole week of terror and destruction. The men who were to operate it sat around in motels waiting for the 'go' signal that never came."

Morse and Branagh while here said that the idle men and equipment referred to by Geddes possibly were civil defense trucks and crews which were held on a standby basis to protect the town of Truckee.

There were more than 20 of these trucks on a standby basis and while some were used on the fire lines, their principal duty was to be on hand in event the wind,

Accused Slayer With Four Companions Caught In Sutter

Five days of freedom for accused slayer Stanley William Fitzgerald, 39, and his four companions who escaped from the Nevada County jail ended Friday night when they were captured near Oregon House, Yuba County by sheriff's officers.

District Attorney Harold Berliner said the adults, Fitzgerald and Robert Smithson, 31, held on a non-support charge, can be charged with carrying concealed weapons, escape, armed robbery, two counts of car theft, impersonating an officer and burglary.

The juveniles, Donald Snyder, 17, Kelly Coleman, 16, and Larry Personeau, 16, are held for the California Youth Authority.

The five fled the jail after overpowering a jail trusty and Deputy Sheriff Carl Arbogast on October 30, stealing the deputy's car and taking guns, money and the deputy's badge.

They were captured in an automobile they allegedly stole from Mrs. Gladys Clarridge, 62, of Oregon House after they entered her house, stole food and guns and left her tied to a chair. The widow freed herself and called officers and the arrest was made without resistance shortly after.

Officers presume the five had been hiding out in the Yuba County foothills since their escape.

WEATHER

Our beautiful weather was briefly interrupted last week by a snow fall, it soon melted as the skies cleared. Our weekend weather was partly cloudy and sunny.

We hear that Bob Munson is home from the hospital in Reno after a siege with pneumonia. We wish him a quick recovery.

Our dear friend Lucille Drang is in the Washoe Medical Center after a bad fall injuring her back. Lucille just recently brought her daughter home from the hospital where she had a serious operation on her back. Get well quick Lucille, we miss you.

DOINGS AROUND

Butch Beavers dropped in for a visit. When he comes in like that I know the tree business is in full swing. Butch is a real tree expert, always ready to go through rain or snow.

Red Cross To Have Reno Headquarter

American Red Cross officials in San Francisco Pacific area headquarters, announced plans for the consolidation of the territory in the three counties lying east of the Sierra-Nevada mountains summit line into the newly formed Sierra-Nevada Red Cross Chapter with headquarters in Reno. This includes the Truckee area.

Red Cross services have been provided in this California area by three chapters: El Dorado County Chapter at Placerville, the Nevada City Chapter at Nevada City, and the Placer Area Chapter at Auburn. These three chapters will continue to function as they are at present with the exception of this area which is being consolidated with the new Nevada chapter.

The formal consolidation will take place during the Nevada State Red Cross meeting scheduled for November 12 at the Mapes Hotel in Reno. In addition to the California area, the new Sierra-Nevada Chapter will be composed of the present Nevada chapters of Carson City, Churchill County, Douglas County, Lyon County, Mineral ounty, Pershing County, Storey County and Washoe County.

Red Cross officials pointed out that all Nevada Red Cross chapters, involved in the consolidation, will continue to function as branches of the new unit. This action by the American Red Cross, officials stated, will greatly improve and strengthen the organization's programs of service, plus reducing over-all expenses. Of particular importance is the fact that the efficiency of Red Cross disaster preparedness will be greatly increased, insuring an effective and well coordinated disaster relief operation should the need arise. Training in the safety services of first aid, swimming and small craft handling will be stepped up, especially in the Lake Tahoe area. Services to the members of the armed forces and their families will be strengthened and better coordinated.

The board of directors for the newly formed chapter will be voted from a delegation of two representatives from each of the Nevada chapters involved in the consolidation. This action will take place during a special meeting at noon, November 12, in Reno, with Frank Nelson, vice chairman of the Washoe County Chapter in Reno presiding as temporary chairman.

The Nevada Red Cross state meeting on that date will be held in the Fable Room of the Mapes Hotel. The scheduled program will involve participation by chapter leaders throughout the state of Nevada and representatives from the Red Cross Pacific area headquarters in San Francisco.

The meeting session will be presided over by D. M. Shute, chairman of the Washoe County Chapter, Reno. Included on the agenda are workshop sessions on volunter recruitment and placement, services to the members of the armed forces and their families, safety services, and fund raising.

The evening session will be a dinner meeting in the Fable Room of the Mapes Hotel at 6:30. The main speaker will be Donald W. Stout, manager of the Red Cross Pacific area.

WEIMAR CHILDREN APPRECIATE GIFTS

KINGS BEACH — Mae Murray, youth activities chairman for the Ladies Auxiliary of VFW Post No. 7077 states that a letter has been received from the Weimar Chest Center expressing thanks to the Girl Scouts of Lone Troop No. 1 and the Brownies of North Tahoe for the Halloween tray favors made by the girls for the candy sent by the auxiliary.

For the past four years, the Girl Scouts, Brownies and auxiliary have brought a great deal of enjoyment to these children with gifts and favors for special days during the year.

EUREKA!

The Gold Rush inspired California's selection of a state motto

GOLDEN MOMENTS

In California history—the Greek word *Eureka* ("I have found it") was a natural choice for our state motto. *Eureka* symbolizes the miracle of prosperity—a California tradition since the Gold Rush.

In California life—today beer also stands for prosperity. In 1959, many of our California schools and highways were partially supported with taxes paid by brewers—one more reason why beer means better living for all in the "Golden State."

STRIKES & SPARES

BY JOE WILMAN

WHAT ARE THE BASIC FUNDAMENTALS OF BOWLING?

There are three bowling fundamentals which I often refer to:

1. Footwork.
2. Arm swing.
3. Timing.

Footwork means the actions of your body from the hips down throughout your stance, approach and delivery, as the illustration shows.

Arm swing refers to the actions of your body from the waist up throughout your stance, approach and delivery, as the illustration shows.

And timing is the proper coordination of footwork and arm swing into a rhythmic motion.

Sounds simple, doesn't it? Well, it's not as tough as you might think. No bowler can be good without mastering these three fundamentals. Any mistake you make can be traced back to one of these three corner stones of your game.

I can't over-emphasize the importance of footwork, arm swing and timing.

WEATHER

The snow fell both in traces and in volume in Soda Springs last Thursday through Monday, as 9.2 inches. The heaviest fall was on Monday with 3.9 inches. The wet snow, mixed with rain, contained 1.25 inches of moisture.

BOY SCOUT TROOP

A summit area boy scout troop is in the process of organization, as Scoutmaster Frank Zoll has 11 interested boys already signed up, and expects to fill a 16-member group when the activities begin. Frank planned a meeting earlier this week, and will have several meetings so as to qualify each interested boy at the tenderfoot level before applying for a charter from the area Scout Council. Youngsters who have passed their 11th birthday are eligible to participate in scout activities through their 17th year. Those who are forming the new troop are Gregory Young, Bill Rosamond, Tom Gangler, Fred Siversen, Moise Tauregui, Bruce Loder, Barry Cardwell, Sherman Williamson, Mike Cross, Jimmy Cross, and Ricky Smith. The possibility of forming a Cub Scout Den for boys under age 11 is also under discussion for a later date.

ALPINE TOUR

En route from New York to the bay area, Portia Wagenet spent the weekend in her cabin on Castle Creek with Marian Avery, Roi and May Ellen Partridge of Oakland. Portia and Marian are en route home from an extended tour through Europe, with four months of their time spent in the alpine areas of Yugoslavia, France, Italy, Austria, and Switzerland. Portia spent the month of March skiing at Veneku, Norway and Zellamzee, Austria, before Marian joined her in Munich, for a month spent in Sicily, Greece and Turkey. They then spent four months touring the less traveled portions of the European Alps by car, hiking and camping in many areas not often reached by tourists. Portia was especially impressed with the popularity of cross-country skiing at resorts in northern Norway, and their pride of the Norwegian who won the 15 kilometer cross-country race in the Olympics at Squaw Valley. They were also delighted with the aerial tramway that lifts passengers from Courmayeur, Italy, to Chamonix, France, over the Mont Blanc massif. Following a leisurely tour through Spain and the south of France, they sailed for New York. Both Portia and Marian have retired from the University of California's department of education.

SUMMIT SIT

The ladies of the summit area renewed their winter time 'Summit Sit,' generally held every two weeks during the long winter months at different homes in the area. Sixteen ladies spent last Wednesday evening visiting and knitting at the Zolls where Kaye Zoll and Grandma Meese served as hostesses for the group.

VISITORS

Tim and Laura Cross visited with the Zolls last week while on their way back to New Mexico.

COUNCIL MEETS

The new members of the Community Club Council met last Thursday at President Dick Reads home to discuss the club's programs for the coming year. The problem of club finances was discussed, and Dick mentioned that dues are now due for the coming year, and payable to Frances Dragoo, treasurer. The problems involved in combatting the winter fire hazard for local residences was discussed, although no concrete proposals have been settled upon in the line of establishing a volunteer fire department. The Pacific Gas and Electric Company has contacted the club relative to the development of the Lake Van Norden recreational potential, and has proposed a meeting in the near future with the club committee on recreation headed by Bill Cannon. Dick has also contacted the State Police in Truckee concerning the problem of traffic around the school bus loading zones in the summit area, and the highway patrol has been devoting more time to this problem.

ILLNESS

The Donner Trail School children found Pat Wurst of Donner Lake substituting for Rex Anderson two days last week as Rex was ill with a touch of the flu. Bob Ziemer of the snow lab was ill most of the week with a strep throat infection.

COMMUNITY CLUB PARTY

President Dick Read announced that the next club function will be a family party to be held in the Soda Springs Hotel cellar game room on November 18. Cards will be mailed to club members. The party will raise money for the children's Christmas party, held annually at the Donner Trail School.

TRUCKEE ROTARY CLUB

Twenty-five members and guests of the Truckee Rotary Club gathered for the regular Monday night meeting at the Donner Lake Lodge. The Truckee club was host to the District Governor Robert W. Annis of the Reno Rotary Club. During the meeting, presided over by President Fosten Wilson, Governor Annis spoke briefly on the goals of achievements of the Rotary movement. Among the guests was Richard Higgins of Truckee.

FOREST SERVICE

(Continued From Page 1)

which was predicted to shift from the north brought the raging flames into the town. Their alertness here was greatly appreciated by the residents and business people of Truckee.

The wind,, as predicted, did shift from the north but the weary firefighters had controlled the blaze along the flanks to a point where the threat was dissipated. Because these standby trucks were not used, seems to ire the Napa lawmaker, but the insurance they offered to the community was well worth the money they cost, in the opinion of local residents.

Although the fire swept toward a distance of 22 miles there were few areas where it was allowed to spread more than two miles, due to the efforts of the forest service management.

Both Branagh and Morse denied that at any time was there poor management on the fire lines. They each deplored the fact that the fire was permitted to start and get out of control as it did and declared that a thorough investigation into the cause is still underway.

With a fire leaping forward as the Donner blaze did, it would be virtually impossible to put men and equipment out in front for almost certain disaster, but advantage was taken of every break and both officials believe that everything possible was done throughout the week's terror.

Replying to Geddes charge that firefighters were spending their time in "plush" Tahoe motels, Irwin Bosworth, fire boss now at Susanville declared:

"I presume he means motels at Donner Lake and Truckee. It was my decision it was cheaper to house the men on standby duty locally and feed them in local restaurants than to set up a fire camp for them. We had our hands full setting up enough camps to handle the men on the fire lines."

DONNER DOINGS

By VIRGINIA O'BEAR

Mr. and Mrs. Henry Strelow have been spending a few days at their Donner home and left Tuesday after voting in the exciting election. They were surprised to find the weather so beautiful here and no snow.

* * *

Aldo "Chief" Marri, a custodian at the local high school, is very pleased to be a Donner home owner. He purchased the Cal Farley home before they left for Florida.

* * *

Mrs. Barak Wright fell and broke her heel and is getting around on crutches these days. She will have the cast on another month or so and everyone is wishing her a speedy recovery.

* * *

Eve Hallett has moved back to Truckee and will undergo surgery this week. Everyone will miss her at Donner Lake but living near her work will be more practical for Eve, especially since her hospital stay, which everyone hopes will be a short one and successful.

* * *

Mrs. Joe Corro and children spent last weekend in Vallejo and it was the first time Marcella had gotten away since moving to Donner Lake.

* * *

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will meet on November 17 at 7:30. A delicious dinner is being planned by hostesses Marcella Corro and Alice Strobel and a very interesting meeting will follow the dinner.

* * *

So many people have been on the sick list the past week or so. Seems there is something similar to flu going around. Hap Warnke, Claudia StClaire, JoAnne and Dr. Affeldt, and many children are on the list. Certainly hope everyone recovers rapidly and that everyone is feeling fine before the Thanksgiving holiday.

NEW PATROLMAN

After being here only a few days, State Patrolman E. M. Chapman has transferred to Auburn and was replaced by Broy Blecher of San Francisco. The latter will be joined by his wife as soon as she recovers from a recent operation.

TRUCKEE CHAMBER OF COMMERCE

GIRL SCOUTS WILL HOLD FLYUP TODAY

A joint Girl Scout fly-up and investiture ceremony and an intermediate court of awards is being held this evening at the high school cafeteria at 7:30 p. m. The first part of the program will honor 10 Brownie Scouts of Troop 137, under the leadership of Mrs. W. D. Randall, who are "flying up" from the Brownie organization and being invested as intermediate Girl Scouts. The traditional Brownie wings will be presented, followed by the awarding of membership stars.

They will be welcomed into the worldwide intermediate Girl Scouting organization in a short ceremony led by Curved Bar Candidate Marcia Leamon. Girls receiving their official Girl Scout pins will be: Linda Russell, Marta Drewrey, Karel Sauby, Jennifer O'Bear, Diana Daly, Allison Spillner, Pamela Horman, Jill Wurst, Nancy Randol and Carol Brown.

The second part of the program will be a court of awards held by the Girl Scouts of Troop 132, under the leadership of Mrs. Roy W. Saarni. Attendance awards will be presented to Shirley Conston and Dawn Maynard. Nine girls will receive membership stars, and Dawn Maynard, Karen Walker and Diana Pankoke will be awarded the five-year membership numeral guards.

Proficiency badges will then be awarded to all girls in the troop, followed by the presentation of the second class badge to Eileen Olson. Three girls have won the necessary ten proficiency badges and completed the other requirements for the first class badge. They are Dawn Maynard, Karen Walker and Diana Pankoke.

The final award on the program will be the presentation of the Curved Bar, highest award in intermediate scouting to Marcia Leamon and Betty Saarni.

Of the many proficiency badges being awarded at tonight's ceremony, the My Government Badge will be worn by all girls in the troop with pride.

Troop 132 has worked hard to earn the privilege of wearing this badge. The girls were required to learn about voting qualifications, registration, primaries, methods of election, etc. They were required to read the Declaration of Independence, the Preamble to the Constitution and the Bill of Rights; to learn the duties of the president and vice president of the United States; to make political scrapbooks; and to take an active part in helping the voters of their community on election day.

For this they organized a Girl Scout Aides to Voters campaign. They prepared posters, distributed hundreds of handbills and "Remember to Vote" buttons. They telephoned every local number in the phone book the night before election, each girl being assigned a certain number of pages. On election day they divided themselves into two-hour shifts and sponsored a baby sitting service at the old elementary school precinct for the benefit of mothers of small children.

Members of Troop 132 are as follows: Deborah Bell, Gail Englehart, Eileen Olson, Terri Richards, Shirley Conston, Dawn Maynard, Diana Pankoke, Betty Saarni, Marcia Leamon, Susan Olano, Joyce Randall and Karen Walker

DID YOU SEE WHAT TARZAN DID- THAT GOT THOSE SHE-DEVILS AWAY FROM US? HE ATE SOMETHING THAT GAVE HIM POWER TO HYPNOTIZE THEIR QUEEN!
I SAW IT, JOE! HE SUDDENLY TAMED HER... WITH HIS EYES!

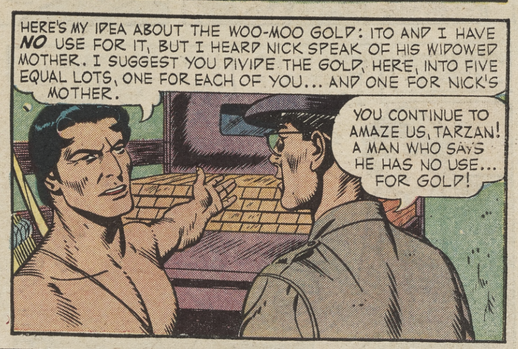
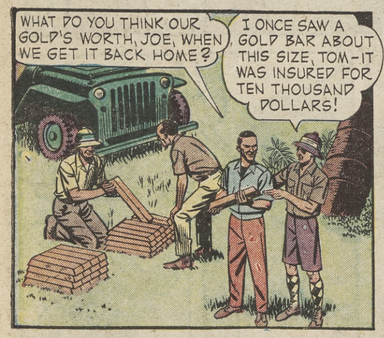
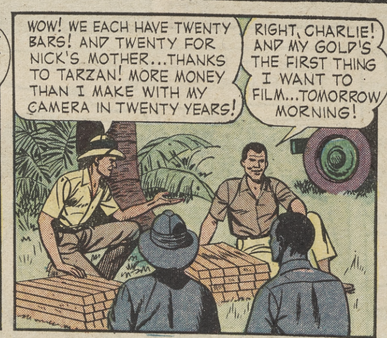
ALL WE'VE GOT, BUD, TO PROVE WHAT WE SAW, AND ESCAPED FROM, IS THAT FILM YOU SHOT WHEN THOSE FEMALE MONSTERS PULLED POOR NICK FROM HIS LADDER, OVER THEIR FORTRESS WALL!
YOU FORGET SOMETHING, CHARLIE! WE HAVE... THEIR GOLD!



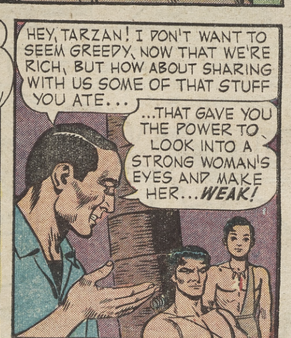
HERE'S MY IDEA ABOUT THE WOO-MOO GOLD: ITO AND I HAVE NO USE FOR IT, BUT I HEARD NICK SPEAK OF HIS WIDOWED MOTHER. I SUGGEST YOU DIVIDE THE GOLD HERE, INTO FIVE EQUAL LOTS, ONE FOR EACH OF YOU... AND ONE FOR NICK'S MOTHER.
YOU CONTINUE TO AMAZE US, TARZAN! A MAN WHO SAYS HE HAS NO USE... FOR GOLD!



WHAT DO YOU THINK OUR GOLD'S WORTH, JOE, WHEN WE GET IT BACK HOME?
I ONCE SAW A GOLD BAR ABOUT THIS SIZE, TOM- IT WAS INSURED FOR TEN THOUSAND DOLLARS!



WOW! WE EACH HAVE TWENTY BARS! AND TWENTY FOR NICK'S MOTHER...THANKS TO TARZAN! MORE MONEY THAN I MAKE WITH MY CAMERA IN TWENTY YEARS!
RIGHT, CHARLIE! AND MY GOLD'S THE FIRST THING I WANT TO FILM...TOMORROW MORNING!



HEY, TARZAN! I DON'T WANT TO SEEM GREEDY, NOW THAT WE'RE RICH, BUT HOW ABOUT SHARING WITH US SOME OF THAT STUFF YOU ATE...
...THAT GAVE YOU THE POWER TO LOOK INTO A STRONG WOMAN'S EYES AND MAKE HER...WEAK!
